

IRONSTOCK 2001

Keeba's Tombstones

<http://usersites.horrorfind.com/home/haunts/upier/IRONSTOCK2001/TOMBSTONES.html>

Keeba, the mistress of tombstones, showed us all the mystic ways of creating that perfect tombstone

Keeba's Bag (toolbox) of Tricks

Start by drilling the holes. Nothing worse than finishing a beautiful headstone and drilling through the front of it!

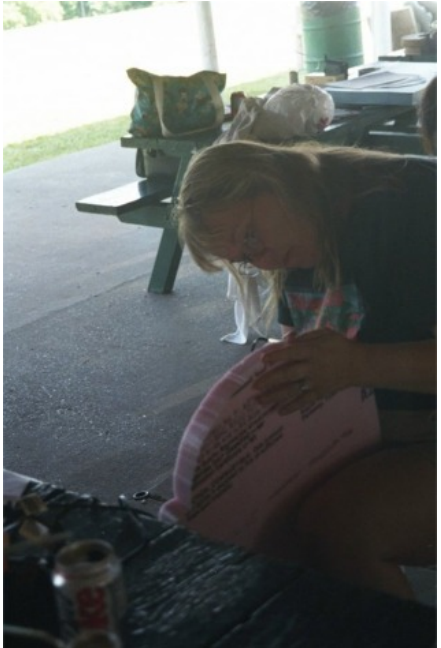

Keeba explains her carving technique.

Special FX needed more room

KKrazyKKaren

Spirit Wahini really getting into it
